# Creative Brief – Coffee Drinks

A guide to what coffee drinks are, where they come from, and how they are made.

---

## Project overview

Create a small, easy-to-explore educational microsite that explains the history, key ingredients, and traditional preparation of different coffee drinks.

## Audience & goal

Curious beginners, casual coffee drinkers, and people who want to understand a café menu. Viewers should be able to recognize common drinks, understand how they differ, and discover coffee traditions from around the world.

## Content & site structure

Five pages:
**Home**:  introduction and category navigation
**Coffee Basics:** espresso, drip, and cold-brew methods
**Espresso Drinks:** latte, cappuccino, macchiato, Americano
**Cold Coffee Drinks:**  iced coffee, cold brew, frappé;
**Coffee Around the World:** Vietnamese iced coffee, Turkish coffee, affogato.

Each drink entry should include a short description, origin, ingredients, and preparation overview.

## Visual direction

- Warm, playful, cozy
- Coffee-inspired palette of cream, espresso brown, and muted accent colors
- Clear typography; simple cup illustrations; and diagrams showing proportions of espresso, milk, water, and foam.
